

DESCRIPTION

Elevate your space with the Stackable Latus Chair, a captivating embodiment of strength, nature, and the inherent poetry of wood. This exceptional chair, honoured with the prestigious Interior Innovation Award in Cologne in 2011, offers a myriad of customisation options to suit your interior project. Choose from either a solid wood or upholstered seat and explore an array of wood species. To further personalise your Latus Chair, select from an exquisite range of upholstery materials, including premium leathers and fabrics.

PRODUCTION PROCESS

The chair parts are made of solid wood pieces of the same length but different widths, with precisely crafted joints on CNC machines. Each piece is chosen through careful matching of wood colors and structures. The upholstered seats are covered with HR foam and upholstery for superior comfort. Certain chair collections are produced using a special wood bending technology. The technical parameters of hand-assembled chairs comply with standard requirements. Final sanding is done manually with fine-grained sandpaper, and various types of finishes enable a wide selection of the chair's final appearance.

PRODUCT TYPE

Chair

USAGE

Indoor

DISMANTLING OPTION

No

GLIDERS

Standard Gliders
