

DESCRIPTION

The Pivot table, designed by Michael Schneider, embodies a harmonious blend of sculptural elegance and refined functionality. Its distinctive base and generous overhang create a striking silhouette while ensuring optimal seating comfort. Expertly crafted from premium hardwoods, Pivot is a sophisticated centerpiece that effortlessly elevates any dining environment.

PRODUCTION PROCESS

Tables are crafted from carefully selected, high-quality solid wood, chosen for its durability and distinctive natural grain. Each piece of wood is precisely cut and shaped to achieve clean lines and balanced proportions. Skilled artisans meticulously assemble the components using traditional joinery techniques, ensuring lasting strength and stability. Surfaces are finely sanded to enhance the wood’s texture and prepare it for finishing. The final stage involves applying a chosen finish - whether natural oil, wax, or another treatment - to protect the wood and highlight its organic beauty. The result is a versatile, handcrafted table that seamlessly blends functionality with timeless design.
