

# GALIO STAR INSERT AUTOMATIC AUTOMATIC OUTDOOR GAS BURNER

## Gas Technology

### STAR-SHAPED BURNER

This Galio has a unique star-shaped burner that creates an eye-catching multidimensional flame.

### BEST BUILD QUALITY

The product is built to the highest quality standards. Made of stainless steel and best materials, it is extremely durable and resistant to the most harsh conditions.

### GAS TECHNOLOGY

A gas fireplaces burner with two fuel options - LPG or Natural Gas. A perfect combination for custom outdoor fire designs.

### AUTOMATIC CONTROL

The device is controlled by an electronic system. To start the device or adjust the height of the flame you can use the Wall Switch control panel, remote or mobile application via the WiFi module. Galio is also compatible with Smart Home Systems.

### REMOTE CONTROL

Control the fire with the remote, app on your smartphone or a home automation system.
